

Transcript of Webisode #5 of the Jon Justice Show

Jon Justice and Cameraman/Producer Andrew with Piñata

Jon Justice: So welcome to Webisode number 5. It's number 5, right?
Alright. So our apologies because it's been awhile since we've done the last webisode.

Andrew sneezes

Jon Justice: Bless you.

Andrew: Thank you.

Jon Justice using a falsetto voice with an attempt at a "Mexican" accent for the piñata and waving it in front of his face to mimic speech.

Jon Justice in high-pitched voice: Bless you.

Andrew: Gracias.

Camera now shifts back and forth throughout the video to either Jon Justice or the piñata when speaking. When the piñata speaks Jon Justice holds it over his face.

Jon Justice in high-pitched voice: You're welcome.

Jon Justice: So we... **guffaws**

So we apologize we went to get another webisode up, or "Isabelasode", as we like to call it.

Ah, um, we've just been busy. But uh, we've felt there's been so much controversy over the last webisode in regards to our new mascot,

Camera zooms into piñata

Isabel Garcia.

Camera now back on Jon Justice

Um that we take the time to address the questions, you know, some of the, the hard hitting questions **Andrew laughing in background** that people have had in regards to that last webisode. And we figured who better to address it with than Isabel Garcia?

Jon Justice asking the piñata

Is, is that okay with you?

Jon Justice in high-pitched voice: Es okay with me, I'm happy to answer any question. VIVA LA RAZA!

Jon Justice: So, uh, for I ha-ha-have a list over here of questions. First off, oh, okay! **Jon Justice looks around at a list on a desk behind him.**

The first, the first question seems to be, um, did we make you? People seem to think so, so Isabel, did we make you?

Jon Justice in high-pitched voice: No, you did not make me. I was spawned from the desert, the dust and sand of the migrant trail.

Andrew laughing in background

Jon Justice: Wait, you were, you were, you were created from the dust and the sand of the migrant trail on the border?

Jon Justice in high-pitched voice: Yes! That is where I was created.

Jon Justice: I don't, I don't think that's, you're not, that's not true, right? That's not, you were really created from the desert?

Jon Justice in high-pitched voice: Okay, no.

Andrew laughing in background

I was not. As a matter of fact, a listener to the wonderful station, 1041 The Truth, bought me somewhere. 'Cause someone else made me and then smacked my face on me and thus, Isabel Garcia, was born!

Jon Justice: So there we go, okay. The other question that we have.

Jon Justice turns around to look at the list on desk behind him. Andrew laughing in background.

Oh! In the last video there seems to be some confusion over how I treated Isabel.

Andrew: Mm-hmm.

Jon Justice: Uh so, people are saying I, I fondled her.

Andrew: Yeah.

Jon Justice: And there's some question over about me taking her home. So lemme ask Isabel because, you know, she can only answer for herself, right?

So Isabel, yeah, uh, in the last video was I fondling you, and were you offended at all by the comment that 'I want to take you home'?

Jon Justice in high-pitched voice: No, you did not fondle me at all. As a matter of fact, when you held me, it felt so warm.

Andrew laughing in the background

So nice. Having you hold me in your arms made me feel warm like the inside of a freshly cooked chimichanga. And I thank you for that. And I would really love to go home with you. Because I'm bored here! I'm bored!

Jon Justice: So there you go, there was no fondling done.

Andrew: Ha-have you taken her home?

Jon Justice: Oh, I know, I have not taken her home.

Andrew: No, she's she's she's...

Jon Justice: She stayed here!

Andrew: Yeah she lives here.

Jon Justice: She lives here.

Jon Justice talking to piñata.

You live here now.

Jon Justice in high-pitched voice: Okay. That's okay.

Andrew laughing background. Jon Justice looking behind at list again.

Jon Justice: Uh.

Jon Justice laughing.

Jon Justice talking to piñata

Jon Justice: Oh! Oh, um, I made a comment. Uh, Andrew had asked me if uh, you were heavy and I said no because chorizo isn't fattening and some people said that that was a, a racist comment to make 'cause I mentioned chorizo, do you feel that saying chorizo is racist?

Jon Justice in high-pitched voice: Not at all. I love CHORIZOOO! I love nachos. I love jalepeños, burritos, enchiladas. All kinds of Mexican food and some Chinese.

Andrew laughing in background as Jon Justice looks behind at list.

Jon Justice: And lastly the question we wanna address, the last question was in regards to your accent. Some people said that because you, you're speaking with a, uh, well they said "Mexican" accent. I'm not really sure what it is. Is that, is is that offensive?

Jon Justice in high-pitched voice: What?! MY name is Isabel Garcia, I am sort of a recreation of a member of the group called Coalition de Drechos Humanos which, last time I checked, was a Latino/Mexican Organization! So no, no offense at all. Viva la Raza. Viva Jon Justice. Viva THE TRUTH!
